

HoopSisters  
SEE WHAT YOUR EMBROIDERY  
MACHINE CAN REALLY DO

## ZOO ANIMALS

Technique: Machine Applique and Embroidery

A Quilt-In-The-Hoop project for your Embroidery Machine!

An intermediate/advance embroidery project

Are you ready to try a more advanced embroidery project but are intimidated by how difficult HoopSister quilts look, worry no more, Zoo Animals is a great project to take your work to the next level? Choose one of the scrappy raw edge applique animals and create an adorable wall hanging. Your machine must be able to accommodate 7 inch quilt blocks.
